**BE A PART OF AVIATION/AEROSPACE AUSTRALIA.
AN INCLUSIVE, PURPOSE-LED ORGANISATION
COMMITTED TO THE SUSTAINABILITY OF THE AVIATION,
AEROSPACE, AND SPACE SECTORS IN AUSTRALIA.**

**A/AA IS COMMITTED TO BUILDING INDUSTRY SUSTAINABILITY BY FOSTERING
INNOVATION, ORGANISATIONAL DIVERSITY, AND B2B PARTNERSHIPS.**

As an independent, not-for-profit membership-based organisation, A/AA's primary aim is to contribute to the long-term health of the sectors through networking and events, access, advocacy, information, and visibility across a number of sector challenges and opportunities.

Women in Aviation/Aerospace Australia (WA/AA) is an initiative to promote the issue of gender diversity and the participation of diverse people within the aviation, aerospace and space sector in Australia and a network for women to connect with industry peers, inspire future generations to join the industry, and excel in their chosen careers.

The NextGenNetwork (NGN) is an initiative of A/AA, where professionals can come together, understand, and engage in aviation, aerospace, and space, to build a network and support one another through the early stages of their careers and beyond.

GreenSkies is an initiative by Aviation/Aerospace Australia to promote action on sustainability in the aviation, aerospace, and space sectors in Australia. GreenSkies aims to bring together leading organisations to facilitate solution-focused discussions, collaborations, projects, events, and networking opportunities.

Skills & Training is an A/AA initiative, offering key member organisations consortium led training solutions, spanning across aviation and aerospace. Developed for industry by industry, to ensure that the aviation and aerospace sector remains sufficiently skilled and equipped to manage growth and technological change.

The Australian Space Diversity Alliance purpose is to transform and expand the participation of diverse and minoritised groups in space, fostering a thriving and innovative space community that reflects our nation's capabilities.
