COLOUR ME IN!

AIR TRAFFIC CONTROLLER

I make sure planes take off and land safely. It's like solving a giant puzzle in the sky!

PILOT

My office is in the sky. I love traveling the world and connecting families.

AEROSPACE ENGINEER

My office is in the largest building in the world! I'm designing lighter aircraft to help save the environment.

AIRCRAFT MAINTENANCE ENGINEER

I make sure the plane is safe before the flight. I'm great with tools and gadgets.
