## COLLABORATING FOR TOMORROW

AVIATION/AEROSPACE AUSTRALIA IS COMMITTED TO BUILDING INDUSTRY SUSTAINABILITY BY FOSTERING INNOVATION, ORGANISATIONAL DIVERSITY AND B2B PARTNERSHIPS.

A/AA welcomes companies and individuals in the aviation, aerospace and space industry around the country to join the professional network.

**Aviation/Aerospace Australia** is a not-for-profit and independent association, with an overarching objective to contribute to the long-term health and sustainability of Australia's aviation and aerospace sector.

**Women in Aviation/Aerospace Australia (WA/AA)** is an initiative to promote the issue of gender diversity and the participation of women within the aviation and aerospace sector in Australia. It is a network for women to connect with industry peers, inspire future generations to join the industry and excel in their chosen careers. **Skills & Training** is an A/AA initiative, offering key member organisations consortium led training solutions, spanning across aviation and aerospace. Developed for industry by industry, to ensure that the aviation and aerospace sector remains sufficiently skilled and equipped to manage growth and technological change. [Click here for more](#)

**The NextGenNetwork (NGN)** is a branch of A/AA for individuals who study or work within the aviation or aerospace industries. Supported by some of the largest employers in Australia, membership can offer exposure and invaluable career opportunities, especially when starting out in the industry. [Click here for more](#)
